

The Antioch News

VOLUME LXV FIRST IN SERVICE TO READERS ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 7, 1950 FIRST IN RESULTS TO ADVERTISERS NUMBER 6

908 Enrolled in All Schools of Antioch; Increase Is Greater

Stuart Good Is Part Time Teacher at Public Grade School

Enrollment increases beyond the expected were experienced by both the Antioch public and St. Peter's grade schools.

An attendance of 355 which may grow to 360 by next Monday was recorded by the public school on Wednesday the opening day. This was an increase of 60.

St. Peter's school had an enrollment of 236 in contrast to the expected 225 and this number may be increased before the year is out. There are 50 pupils in the second grade. The increases are well distributed over the entire eight grades, Sister Superior Mary Clare Ellen said.

A bus makes three trips in gathering and delivering the children in distant points. One trip is made to Grass Lake and Indian Point, another to Channel Lake, and a third to Deep Lake. The district bus picks up some of the children.

Good start at Public School. The public school got off to a good start, Principal Richard Whitacre said. Forty-eight registrations in the kindergarten were more than expected and a splitting of the class will be necessary.

The transportation of pupils to the Oakland school worked out well he said. Two sections of the second and third grades are necessary. The enrollment by classes was: kindergarten 48; first grade 37; second 54; third 49; fourth 37; fifth 33; sixth 37; seventh 32; and eighth 32.

Stewart Good, Hardin st., a graduate of Normal college this year is assisting in the teaching of the eighth grade and physical education classes on part time basis.

Antioch High Has 317
The enrollment at Antioch High school is 317, distributed by classes as follows, according to Principal Richard C. Edmundson:

Freshman 98; sophomore, 81; junior 73; and senior 65.
Teachers became acquainted with the new principal and their new colleagues in the first staff session Tuesday afternoon.

Faster Phone Service Starts Here Sunday; New Directories Out

Newly installed equipment will speed up telephone service in the Antioch area, starting Sunday, Sept. 10, J. M. Littler, manager for the Illinois Bell Telephone Co., announced this week.

Faster service on calls between Fox Lake and Lake Villa telephones and between Grayslake and Round Lake will result from the new equipment, which will enable subscribers to dial from one town to another without first dialing a code.

To make the improvements possible, Littler said, it has been necessary to change most telephone numbers in the four towns. A directory of up-to-date listings of all numbers is now being distributed in the four towns and in Antioch, Libertyville and Mundelein.

Explaining the new system, Littler said that the code "9" now dialed before the number will be eliminated beginning Sunday. Subscribers will dial direct, without using the code. Equipment installations in the lake town exchanges will also bring the telephones into the nationwide operator long distance dialing network, he said.

The manager urged subscribers to consult the new directory for new numbers when placing calls beginning Sunday. He pointed out that information on placing calls from the lake towns is carried on the directory's first page along with other information on out-of-town calls.

Antioch Boy Polio Victim Is County's 15th of Year

Jerome Healy, 15, son of Mr. and Mrs. Timothy Healy, Beach Grove rd., Antioch, was listed this week as Lake county's 15th polio victim.

Scheduled to enter Antioch Township High school yesterday, the boy is reported improving today in St. Therese hospital, Waukegan, where he was taken Sunday morning. School plans will be postponed for at least two weeks, his parents reported.

The boy will not suffer paralysis of the limbs because of the polio attack, hospital authorities said. The disease reportedly settled in his back and is a mild case.

Motorists Asked to Watch For School Children in Driving Antioch Streets

School's open James McMillen, mayor of Antioch, reminded motorists today.

Back to school movements of youngsters 5 to 13 years of age will create additional pedestrian hazards, said Mayor McMillen.

Although the fatality rate of this age group is lower than that of any other group, the city executive asked for even greater cooperation from the motoring public.

"The little ones enroute to classes for the first time are the ones which need most watchfulness. They are away from home for the first time. They are often bewildered by the new experiences in school and in play. It is not reasonable to expect them to be alert for the street hazards."

Local Physician Provides Reasons for Hospital in Antioch

Reasons why Antioch should have its own hospital were given this week by a local physician, who has endorsed the Antioch News' suggestion that a movement be started by local organizations to create one.

To his information other arguments can be submitted by physicians and private citizens in awakening this community to its great need.

Antioch should have a hospital because it would keep more of its physicians in Antioch, attract more and better physicians to open practice here, become a center for health for the lakes district, care better for emergency cases, both major and minor, ease the burden of travel for friends and relatives of the sick, and, in event of calamity of war, aid the outlying Chicago hospitals in caring for casualties.

As the "Hub of the Lakes Region," it would even aid in attracting business and persuading fine people to reside here.

About 20 miles in any direction from Antioch there is a hospital, large or small, but all of them, Burlington, Kenosha, Waukegan, and Libertyville hospitals, are full to overflowing, often requiring beds in the halls to care for the very urgent cases that could not be admitted to rooms. This situation overtaxes all the facilities of the hospitals. It is hard to say how many beds Antioch residents occupy, but certainly enough to keep a small hospital busy right here.

It must be obvious to all that the energy required to travel so far and so often for treatment of hospital cases will ultimately discourage our active young physicians and surgeons, either forcing them ultimately to move nearer a hospital, or give up the greater part of their hospital practices as more mature age presents a physical barrier to its continuance. New, qualified physicians will seek out locations nearer hospital towns, as they have now been doing in the east half of Lake County for the past 3 years. Certainly, no full time specialist would set up practice in a community lacking a hospital.

One of the obstacles to the practice of hospital obstetrics is the distance a laboring woman must travel. Many prefer the inconveniences and dangers of a home delivery because of the long, fearful ride and the unnecessarily long waits made by time and distance. They want to be where their friends and relatives may visit them without sacrificing working hours or large taxi fares. To the more critically ill patients this element is of even greater importance.

Our government is now embarking in a sea of fears about decentralizing our resources in event of a war. Chicago is mentioned as a likely target for any bombing tactics any unfriendly nation may choose. Our own little hospital could be of unlimited help in evacuating city dwellers and caring for them until other facilities could be constructed. There is now a Hill-Burton hospital construction act which might even match funds with us in building a hospital.

Last, and here, least important, a hospital in Antioch would attract business to this center of the lakes activities and would be a great attraction to people looking for a good community in which to make their homes. New businesses, too, would consider a hospital a great asset. It would be a greater project if Lake Villa, Fox Lake, and all surrounding communities in Illinois and Wisconsin would be considered.

W. W. Haerther Home At Deep Lake Ruined By Fire on Tuesday

Antioch Department Aids in Fighting Blaze at 16 Room Mansion

The Antioch fire department joined with the Lake Villa department in battling a blaze that ruined the fine home of Mr. and Mrs. W. W. Haerther at the east shore of Deep Lake early Tuesday morning.

The blaze started from a defective oil burner in the basement and had a good start when Mr. and Mrs. Haerther and his mother, Mrs. Emily R. Haerther were awakened by the noise of falling fire extinguisher bombs.

The bombs retarded the blaze in the basement but had no effect once the flames ate through the joists into the upper main floor.

Mrs. Haerther, finding their telephone dead, went to the nearby home of her sister, Mrs. G. W. Reynolds and called the Lake Villa department. A half hour later the Antioch department was called. Mr. Haerther in the meantime rescued his Labrador dog, Nicholas, from the laundry room in the basement where flames already were spreading, and then used a garden hose in trying to control the fire. Firemen had the blaze under control by 6 a. m. and extinguished by 7:30 a. m.

The living quarters of the 16-room building were gutted, and water and fire combined to damage the eight-room bedroom wing beyond use. Contents of the building which included valuable rugs and antique furniture, were either burned or water soaked.

Underwriter investigators haven't established the loss, but it was estimated that it will run more than \$100,000.

Mrs. Haerther told the Antioch News yesterday that they plan to rebuild at once. They are making their home with the Reynolds in the meantime.

Six Hurt in Car Crashes Over Sunday, Monday; Rescue Squad Gives Aid

The Antioch Rescue squad not only gave aid to the injured but set up traffic warnings following an accident in which a passenger car sideswiped a Cardinal Lines bus at Rte. 173 and Richmond rd., west of the village Labor Day.

Three Great Lakes marines and two Chicago girls were injured in the accident. The Rescue squad took Allen J. Goerling, 24, the driver, who had face cuts and pelvic injuries; Robert Caldwell, 18, who had cuts and bruises; and Robert R. Haldone, 19, who had fractured ribs and collar bone to the naval base hospital.

The two girls, Miss Marlene Kroebenhof, 17, was cut on the leg, and Miss Jennie Mulligan, 22, suffered rib and collar bone fractures. They were taken to Victory Memorial hospital by the local squad.

Deputies said Goerling was going west when he sideswiped the bus driven by Charles W. Harding, of Grunee. No one on the bus was hurt.

After the impact the marine's car traveled 180 feet, then left the road and rolled over becoming a total wreck.

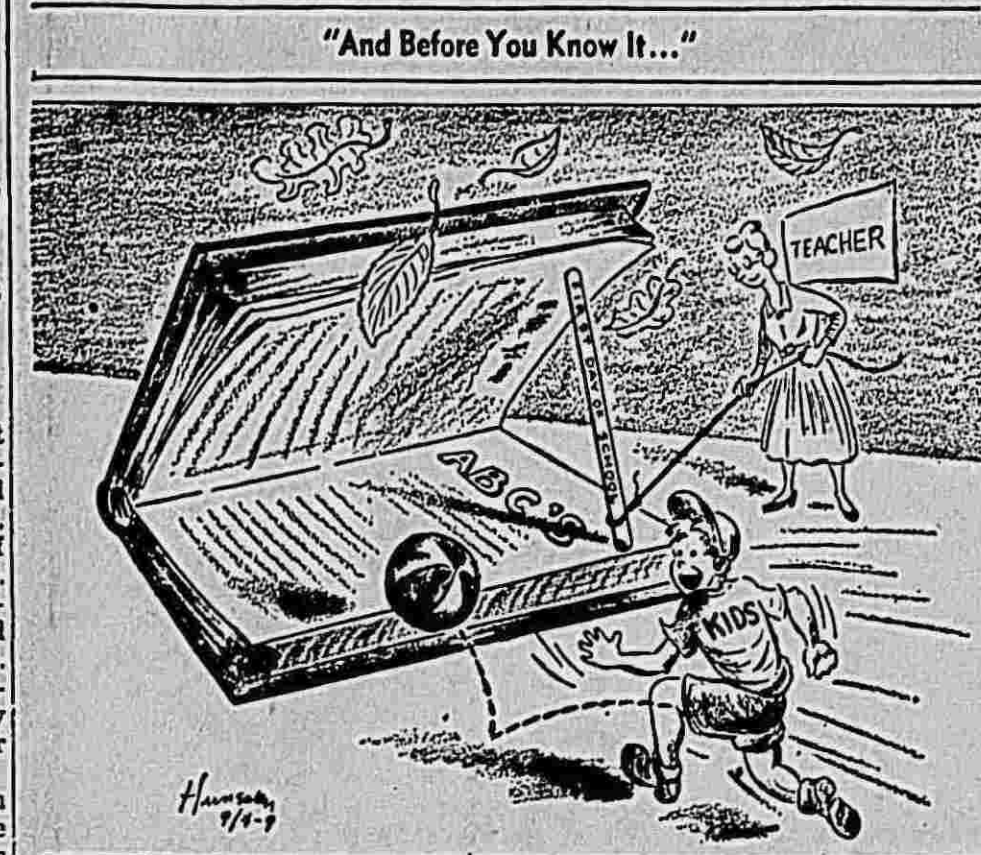

Ralph Gussarson, 25, Channel Lake, was taken by the squad to Victory Memorial hospital, Waukegan, after his car plunged into a ditch on Rte. 173 a quarter of a mile west of Rte. 21 and turned over Sunday. Gussarson suffered a possible skull fracture and the loss of several teeth. He was driving west when his car hit a guard rail and went out of control.

Game Law Violation Office Established at Lake Villa

District headquarters for enforcement of game law violations has been established at the Lake Villa State Conservation camp.

The camp garage has been converted into headquarters for John Havelka, district inspector. A district worker will be on duty at the office 24 hours a day to receive calls and prosecute violators.

A telephone has been installed in the office, and anyone knowing of a violation is asked to call at any hour of the day or night. The game law enforcement office represents a district which includes Lake, McHenry, Cook, Boone and DuPage counties.

Harvey B. Gaines, 71, Bristol, Wis., Dies Of a Heart Attack

Harvey B. Gaines, 71, of Bristol, Wisconsin, died Sunday, Sept. 3, at 10 p. m. at his home. Death was due to a heart attack. He was born December 3, 1878 at Bristol, where he lived all of his life. He was married June 29, 1904 to Miss Bessie Whitaker. He was a member of Washburn Lodge No. 145 F. & A. M., he served as its treasurer for many years, he was a member of Kenosha Chapter No. 3, Royal Arch Masons, the Kenosha Commandery, Milwaukee Consistory, Tripoli Shrine, Modern Woodman of America, Lumberman's Association and of Bristol Chapter O. E. S. No. 164, and the Bristol Methodist church. He owned and had operated the H. B. Gaines Lumber Company in Bristol for the past fifty-six years.

Survivors include his wife, Bessie, a daughter, Mrs. Florence Bryant, a grand son, Willard Bryant, one great grandchild, a brother, Arthur of Kenosha, two sisters, Mrs. Emma Evans, of Salem and Mrs. Vera Smith, of Kenosha. He was preceded in death by his parents, Charles and Mary Raynor Gaines, a brother Willard and a sister Nettie.

Funeral services were held Wednesday at the Bristol Methodist church. The Rev. George Bowles officiated. Washburn Lodge F. & A. M. conducted grave side services. Interment was in Hosmer cemetery.

Village Will Have Four Representatives at State Municipal League Confab

Antioch will be represented at the Illinois Municipal League convention at Springfield, Oct. 8 to 10, but the number of village trustees and other officials who are arranging to attend will be fewer than usual this year.

Those who will attend are Trustees Murrill Cunningham, Arthur Rosenfeldt and Edgar Simonsen, and Atty. E. C. Jacobs.

Bills totaling \$1,073.66 were approved for payment by the village board of trustees Tuesday night. Included in treasurer Martha Hunter's report to the board was the village general fund, now listed at \$13,580.90. The trustees approved and granted a beer and bowling alley operation license to the new Antioch Recreation owners.

Mayor McMillen, Clerk L. D. Powles and village attorney Jacobs joined trustees in a lengthy discussion on the claim of Dr. B. J. Corbin, Cross Lake, who wants compound interest on special assessment bonds he has held since 1925.

Principal on the bonds left to be paid Corbin is \$337.38, but he claims the village owes him not only interest on the unpaid bonds, but also on bonds that were paid off and which he now has in his possession. The matter was left to further investigation and discussion by board members and Atty. Jacobs.

Ackerman Improving
C. N. Ackerman, well known Grass Lake resident, who underwent his second operation 10 days ago is reported improved. He has had 14 blood transfusions owing to internal bleeding following the operation. The call for blood donors last week brought a response from eight persons, but owing to colds or other reasons only four of them qualified. More donors are needed and persons who can give are asked to call either Antioch 75, 30 or 43. Any type blood will be received and donors will be transported to St. Therese hospital, Waukegan where the gift will take place.

Thieves Break Into Antioch Servicenter And Haul Away Safe

Get More Than \$700 in Holiday Receipts on Monday Night

Husky thieves broke into the Antioch Servicenter, Rtes. 21 and 173, sometime Monday night, hauling away a 600 pound safe containing holiday cash receipts estimated at between \$700 and \$900 and important company records.

Bruno Manzardo, Servicenter owner, said the thieves had evidently attempted to open the safe in the men's washroom at the filling station. A pair of coveralls had been stuffed in the washroom window to block out light as the yeggs worked on the safe with a gas torch and drill belonging to the Servicenter.

Unable to crack the safe, the burglars hoisted it into one of the garage's cars and drove a quarter-mile west on Rte. 173. There they presumably transferred the heavy safe to their own car, abandoning the Servicenter auto in a ditch.

Lake county sheriff's officers and fingerprint experts are now working on the case, Manzardo reported. Several suspected prints were found on tools and in the filling station washroom, he said. The crime was committed sometime between 10:30 p. m. Monday, when the station closed, and 7 a. m. Tuesday.

Included in the loot were about 15 auto titles and other records, Manzardo said. Sheriff's officers believe the thieves may have blown open the safe in some isolated area in the county. They are conducting a search for the abandoned safe and records.

Fortunately a record was made of the accounts in the ledger recently and the loss of the books will not be as bad as had the accounts been lost, Manzardo said. The money was insured, but great inconveniences will be experienced in the loss of the titles to 3 cars.

Firemen's Dance a Success

The dance given by the fire department at the Nash garage on Depot st., Saturday night was quite successful. There was a good crowd and Art Smejkal's orchestra provided good music.

Dr. Erick L. Larson, Retired Physician, Dies At Home in Lake Villa

Dr. Erick N. Larsen, a resident of Lake Villa for the last two years, died at his home Tuesday following a brief illness.

The funeral service was held at 2 p. m. today in the chapel at 4338 Fullerton ave., Chicago.

Dr. Larsen came to Lake Villa upon his retirement from medical practice in Chicago. His office there was at 3824 Fullerton ave. He and his wife, Bertha, celebrated their golden wedding anniversary last September.

Besides the wife he is survived by a son, Erick N. Larsen, Jr., a daughter, Arla Mae Bedard and three sisters, Mrs. Jennie Arneson, Mrs. Minnie Nielsen and Mrs. Amelia Jensen.

BOB NELSON ATTENDS CONVENTION IN MINN.

R. S. (Bob) Nelson, Agent for Minnesota Mutual Life Insurance, attended a National Conference and celebration of the 70th anniversary of the company, recently. Mr. Nelson, qualified by being on the company's honor roll for four months of this year.

Mayor McMillen Asks Disaster Plan Action At Trustees' Meeting

Stresses the Need for Local Organization; Reads Volunteer Letters

Mayor Jim McMillen called for increased action on a local disaster plan ordinance at Tuesday night's village board meeting.

The mayor pointed out the growing need for organization of Antioch housing and medical facilities, under a National Civilian Defense program, in the event of war-time bombing or catastrophe. He asked trustees to consider the matter for early action.

Since Antioch is within a 100-mile radius of both Chicago and Milwaukee, housing and aid for bombed-out people from both cities would probably be sought here, the Red Cross has reported.

To further disaster plans, the mayor said, two "Ham" radio operators who volunteered emergency assistance will be contacted. Letters from the radio men were read to the trustees by the mayor.

Robert Adams, of Grass Lake, whose "Ham" code call is W9SM, volunteered to organize an amateur radio hookup here for use in emergency.

He is manager of government production at the Hallcrafters Co., Chicago, and a radio veteran of many years, he informed the mayor.

During World War II, he organized and trained navy radiomen and served as a Captain in the army signal corps. On a "Ham" set in his car, he has contacted 60 foreign countries and all 48 states, he said.

Another "Ham" operator, Leonard J. DeMatteo, Box 291, Antioch, informed the mayor he read about disaster plans in the Antioch News. He volunteered the assistance of his station, K9AA1, in the event of emergency.

To complete disaster plans, names, addresses and telephone numbers of all registered nurses and doctors in this area are being sent to the county sheriff's office by the Red Cross.

Herman Rosing, of Antioch, member of the board of directors of the North Lake County Chapter, American Red Cross, is working with Mayor McMillen in gathering other vital information needed for organization of the Antioch disaster plan.

Contributions Continue to Come in for Lions Fund Supporting Rescue Squad

Constructive Criticism Needed

In a recent syndicated column, David Lawrence says: "Whatever the immediate significance of the Korean war, a profound effect has been produced upon the long-range military policy of the United States. Never again can America depend on that narrow concept of a one-weapon strategy."

Mr. Lawrence then raises some very important points about which all our people have been thinking. Who is responsible for having deprived the Navy of its status as a "fleet in being"? Who took away from the United States army its own airplane units capable of operating always with ground troops? Whose idea was it that land armies of the United States could fight without "armored divisions of tanks"? Who deprived us of overseas bases—floating or fixed?

Mr. Lawrence is bitter in his condemnation of civilian or military officials for what he says is one of the "worst blunders in all American history. It is a blunder inexcusable because it defied the plain lessons of history taught in every naval or military war college in every nation of the world for centuries past . . .

"The price of peace is never inexpensive and the price of survival always is economic discomfort and sacrifice."

Tragically and inexcusable the exigencies of domestic politics cut the ground from under national defense at the moment when decisive strength was needed. As a result, thousands of Americans will lose their lives.

The kind of criticism backed with facts that is now being leveled at those in control of the military establishment is too serious to gloss over, or attempt to muzzle with admonitory advice that it is ill timed. The confidence of the people in the wisdom of top military policy has been shaken. Only honest correction of mistakes can restore that confidence.

The Low Down From Hickory Grove

Bolled down—devoid of big or difficult words—our U. S. A. is in its present state of confusion, and on thin ice, for 2 main reasons. We been reading Freud and Marx when we should have been reading AEsop.

Freud—and the lack of discipline—has given us our horde of delinquents. Marx has filled the Bureau chairs there on the left bank of the Potomac, with socialists. And a socialist is just a freshman communist. And both these menaces came from the neglect of our AEsop. We been a sucker of the first water. We have listened to pink palaver about letting the Govt. cover the Nation with great and gigantic river-valley Authorities. Congress, spellbound, says, go ahead. We remain mum. Mum until income tax day when we don't find the Govt. elbowing us there at the tax window to pay its share. It pays no taxes—we dig a little deeper.

We stand by as the Govt. potato wagon backs up at the river edge and dumps its huge train loads to the fish. We buried one OPA and it agonies—congress now flirts with reviving the corpse.

But America can yet be salvaged. We must get our horse-sense out of the mothballs—also our AEsop. That is you and me I am talking about.

Yours with the low down,
 JO SERRA

LAKE VILLA

Mr. and Mrs. Henry Nader drove to Fond du Lac, Wis., last Friday night to visit relatives, then went on to Coloma, Wis., to visit Mrs. Nader's parents until Monday night when they returned home.

Miss Anne Petru, of Chicago, was guest of her cousin, Mrs. Marie Hamlin over the Labor Day holidays.

Mrs. Horace Kapple and children, of Crystal Lake, Ill., were callers at the home of Mrs. Chas. Hamlin last Friday.

Mrs. Stella Pedersen spent Thursday with Mrs. Al Boehm and her mother, Mrs. Kate Manzer, near Wedges' Corners.

Edward Langbein enjoyed a two week's vacation from his work at Johnson Motors and he and Mrs. Langbein spent Friday in Milwaukee.

Mrs. Anna Nader returned from San Antonio, Texas, where she has been with her son, Army Warrant Officer, Roy Nader, and wife for a few weeks, and on Friday left with Mr. and Mrs. Leonard Armstrong, her son-in-law and daughter, who are on vacation, to spend a few days with her daughters, Mrs. Anna Almquist and Mrs. Pauline Schneider, and families at Chippewa Falls, Wis. Mrs. Almquist has a bad case of arthritis and has been in the hospital for treatment for a few weeks and is much improved.

Mr. and Mrs. Traver Ellis and children, of Belvidere, spent Sunday with her parents, Mr. and Mrs. B. J. Hooper, and her sister, Mrs. Ed Langbein and family.

Mr. and Mrs. James T. Gurren, of Peoria, were with Mrs. Gurren's parents, Mr. and Mrs. J. R. Williamson, for a few days and returned home Monday.

Edward Walker and Louis Koppen were in Chicago last Sunday

to attend the Cubs ball game.

Robert Bartlett, son of Mr. and Mrs. Fred Bartlett and who has been in the U. S. Army for some time, returned Aug. 21, from Paris, France, where he attended college. He will be here until Sept. 13, when he leaves for Boulder, Colorado, to

take up work in journalism at the college.

Mrs. Fred Bartlett and Mrs. Jake Fish attended the Lake County P. T. A. council picnic at Fox Lake park on Aug. 21, and enjoyed especially the boat ride on the lake.

Mrs. Bartlett and Mrs. Fish were

in Chicago last Friday to attend the theater.

Mr. and Mrs. Wm. Coleman and two children and Mrs. Margaret Sinks, all of Nashville, Tenn., were guests of Mr. and Mrs. Don Summers a few days last week. Mr. and Mrs. Summers and their guests spent some time seeing the sights of Chicago.

Willard Ladewig, who has been a patient at Veterans hospital at Downey spent a few days at his home and returned to the hospital for surgery.

Mr. Arthur Nauta, who was a patient at St. Therese hospital last week, is recovering at his home here.

Mrs. Clifton Bray is serving on jury in Waukegan this week.

Mrs. Ella R. Talbot passed away Sunday afternoon at her home on Burnett Ave., following a heart attack at age of 89. Her daughter, Mrs. Vera Philippi and her granddaughter, Mrs. Walter Simonson, of Waukegan, came to see her, she was not feeling well and complained of shortness of breath, so the fire department came with the inhalator, but it was too late. She was the widow of Dr. C. W. Talbot, who practiced medicine here about 40 years ago. Since the death of her husband, a number of years ago she has lived at her home here during the summer months and with her daughter, Mrs. Philippi during the cold weather. She leaves one daughter, Mrs. Philippi, one son, Orville Talbot, of Chicago, and four grandchildren. She was a member of the Cedar Lake Camp Royal Neighbors and in her younger years was very active in the work.

Thanks are due to Claire Dunbar, Neil Reidel, Paul Williamson, Delbert Sherwood, Harry Weber and George Sebela, who repaired the drainage system at the church last week.

Mr. and Mrs. Harvey Obenauf and son left Friday for North Carolina to spend a few days with Mrs. Obenauf's family.

The Royal Neighbors will hold a regular meeting on Tuesday eve-

ning, Sept. 12, with Mrs. Cora Hamlin. Sept. 26 will be held at the school in at her home and the meeting on gym.

MILLBURN

Regular church services Sunday, Sept. 10, with Sunday school at 10 o'clock and worship service at 11 o'clock. Rev. L. H. Messersmith has chosen the subject "On Being a Christian Disciple" for the sermon. As a special musical number, Miss Suzanne Groves will give a trombone solo playing "The Last Chord".

Ladies Aid Society will meet at the church Thursday afternoon at 3 o'clock. Supper will be served cafeteria style from 5 o'clock on, by the September committee with Mrs. Carl Anderson as chairman.

Mrs. Elsa Lutz, of Chicago, spent the weekend with her daughter, Mrs. Herbert Messner and attended the wedding of her grandson, Walter Messner, and Miss Margaret Quilty at 3 o'clock Saturday afternoon in the rectory of St. Peter's church, Antioch.

Mr. and Mrs. Clifford Weber, Jr.,

and daughters of Winthrop Harbor spent Sunday afternoon at the Weber home.

Miss Margaret Gilbert, of Waukegan, and Mr. and Mrs. Chalmers Wooley spent Sunday with friends at Channahon, Ill.

Misses Julia Hughes and Myron Gaddie, of Chicago, spent the weekend at the A. G. Hughes home.

Mr. and Mrs. C. F. Weber and daughter, Sharon, returned home Saturday from a week's vacation at Sunset Lake, Iron River, Mich.

Mrs. Maude Carlfield, of Grayslake is visiting her cousin, Mrs. E. A. Martin.

Mr. and Mrs. Milton Bauman were dinner guests at the Howard Bonner home Sunday.

Richard P. Martin returned Tuesday to Alton, Ill., to resume his work at Western Military Academy.

Mrs. Myrtle Savage, Mort Savage Miss Josie Mann and Albert Smith

spent Wednesday at the Frank Webb home in Kenosha, Wis.

Mr. and Mrs. Robert Clark returned Wednesday from a vacation trip to Canada and home through the New England States.

Wayne Painter, Martin Belfner and Dean Martin, of Chicago, spent the weekend at the Edward Sundin home.

Mr. and Mrs. Orville Hairrell, Jr., and son, Terry and Mrs. Frank Hauser spent Tuesday at the Brookfield Zoo.

Mr. and Mrs. Gerald Myers and daughters, of Monroe Center, Ill., spent several days with his parents, Mr. and Mrs. Arthur Myers.

Marc Edwards, of Westchester,

Ill., spent Sunday at the Webb Edwards home.

Mr. and Mrs. Tom Cosgrove, of Elmhurst spent Sunday at the Oscar Neuhous home.

Mr. and Mrs. J. Kaluf and Mr. and Mrs. Frank Edwards were supper guests at the John Edwards home in Libertyville Sunday.

Mr. and Mrs. E. A. Martin and son, Richard and their guest, Mrs. Carlfield, were supper guests at the Eric Anderson home Wednesday.

Mr. and Mrs. Charles Lucas and Mrs. Addie Lucas returned home Wednesday from a trip to Florida, going as far as Key West.

Mr. and Mrs. H. E. Painter and Mrs. Edna Caputo, of Chicago, were

dinner guests at the Edward Sundin home Monday.

Miss Annette Kenelly, of Wichita, Kansas, spent Sunday at the Savage home.

Mr. and Mrs. Frank Hauser spent 4 days with their son, Ray Hauser and family at Stephenson, Mich.

Mr. and Mrs. Vernon Stahnke spent Sunday and Monday with Mrs. Stahnke's parents, Mr. and Mrs. Leslie Bonner. Mr. Stahnke has

accepted a position to teach Industrial Art in schools at River Forest, Ill.

Mrs. James Bonner, of Kansasville, Wis., spent Monday afternoon at the H. M. Clark home.

Mr. and Mrs. F. C. Semrow and granddaughter, Susan Semrow and Miss Agnes Wincell of Milwaukee and the Robert Denman family were dinner guests at the W. C. Upton home Sunday.

SOCIETY EVENTS

Miss Margaret Quilty Is Bride of W. O. Messner

In ceremonies at St. Peter's church Saturday at three o'clock in the afternoon Miss Margaret Elizabeth Quilty, daughter of Mr. and Mrs. Thomas Quilty, of Lake Catherine, exchanged vows with Walter O. Messner, son of Mr. and Mrs. Herbert Messner, of Wadsworth.

The Rev. Fr. Gilbride officiated at the double ring service and the bride was given in marriage by her father.

Margaret wore a bridal gown of white net over tulle. She wore a finger tip veil of illusion net and her flowers were white orchids.

Miss Mary Ann Quilty served as her sister's bridesmaid, wearing a floor length gown of blue net over tulle. The bride's mother wore a green print gown, her flowers were white carnations. The groom's mother wore a black gown, her flowers were pink carnations.

A reception for over a hundred guests was held following the ceremony at the Quilty home.

Mr. and Mrs. Messner left for a short wedding trip, after which they plan to make their home on Victoria Street, Antioch.

Techert Reunion Held Sunday at Ferris Camp

Members of the Techert family held a reunion Sunday, September 3, at the Paul Ferris Camp grounds at Lake Marie. William Techert, of Kenosha was the oldest person attending and the youngest were "Lyle Charles" the infant son of Mr. and Mrs. Charles Ferris and the small daughter of Mr. and Mrs. Richard Davis, both families of Antioch. Dinner was served at noon to the following guests: Mr. and Mrs. William Techert and family, Mr. and Mrs. John Brunie, of Kenosha, Mr. and Mrs. August Techert, Antioch, Mr. and Mrs. Fred Techert, Loon Lake, Mr. and Mrs. Ray Willett and family, Channel Lake, Mr. and Mrs. Joe Williams and family, Kenosha; Mr. and Mrs. Harold Kerh and family, Zion; Mr. and Mrs. Charles Brandt and family, Waukegan, Mr. and Mrs. John C. Banky, Chicago (Mrs. Banky is the former Miss Mildred Techert of Antioch); Raymond Willett, Channel Lake; Mr. and Mrs. John A. Roche of Chicago, Mr. and Mrs. Lyle A. Techert, Wilmet, Wis.; Mr. and Mrs. Charles H. Techert, Kenosha; and Mr. and Mrs. Joseph Williams, Jr., of Kenosha. The afternoon was spent in playing baseball and horseshoe pitching, the children enjoyed games, races, etc.

Grass Lake Brownies Receive Wings and Pins

The Brownies of Grass Lake Troop No. 11, are resuming their activities after a two month's vacation.

Their first meeting will be held at the Grass Lake school Friday, Sept. 8, at 3:00 p. m. to plan further meetings which will be held on Wednesdays.

They are starting their second year with a membership of 20 and more expected to join. Barbara Alshouse, Ruth Anne Steiskal and Elaine Wohlfelt received their Wings and Girl Scout pins as they flew up into the Intermediate Troop at a candlelight ceremony held at the Grass Lake school Wednesday, June 21.

Nancy Holmes, Beverly Backman, Mary Anne Kempf and Marilyn Balak also received their girl scout pins.

The program was held only in candlelight which made the ceremony quite impressive. One candle being lit by each girl for the 10 girl scout laws which the Scouts agreed to abide by. Songs were sung and refreshments served to the parents.

WILLIAM HANKE CELEBRATES BIRTHDAY ANNIVERSARY

William Hanke celebrated his eightieth birthday anniversary Sunday. His family and other relatives gave him a beautiful birthday cake and served a dinner at noon at the Hanke home. The afternoon was spent in reminiscing and the young folks enjoyed a game of baseball.

Those attending were Mr. and Mrs. August Hanke and family, of Burlington, Mr. and Mrs. Roland Glassman and family, of Paddock Lake, Harry Hanke, Antioch, Mr. and Mrs. Otto Hanke, Channel Lake, Mr. and Mrs. Otto Hanke, Jr., and family, Mr. and Mrs. Walter Gilpin and son and Mr. and Mrs. George Gilpin, of McHenry, Mr. and Mrs. Charles Lasco, of Salem and Grandpa Elfers.

POST NUPTIAL SHOWER
Elaine Brown Grant was honored guest at a post nuptial shower given by her aunt, Mrs. Luliver Lasco and Mrs. Walter Brown, Jr., Sunday afternoon, Sept. 3, at St. Ignatius hall. Thirty guests were present. Mrs. Grant received many lovely and useful gifts.

Mrs. Grant is the daughter of Mr. and Mrs. Walter Brown, of Antioch.

Library Notes

All women who enjoy doing needlework for their wardrobe, home, or for gifts will be enchanted by Elizabeth Mathieson's new book "The Needlework Library". It contains a great variety of things to make, from a creeper for the baby to a pineapple spread, from ski sweaters to tablecloths, from handkerchiefs edging to patchwork quilts and afghans. This is an all round book for the beginner as well as the skilled needle woman. "The Needlework Library" was presented to the Antioch Township Library in memory of Mrs. Hannah Jankowsky.

Nuptial Rites

Are Told

Elizabeth Gregory Becomes Bride of W. B. Elfers on August 26

The marriage of Elizabeth Gregory, of Grass Lake, to William B. Elfers, of Salem, Wisconsin took place Saturday, Aug. 26, at the Methodist church, Antioch. The service was read by the Rev. C. E. Aiton of Evanston. The bride wore a floor length gown of white satin and lace, her finger tip veil was held by a Juliet cap and seed pearls. Her flowers were white glads.

Her bridesmaids Miss Mae Selek and Miss Anita Heath wore floor length gowns of yellow and green crepe. Their flowers were yellow glads.

Jack Schultz, of Salem, served as best man.

Warren Heynie sang "I Love You Truly" and "Oh Promise Me" accompanied at the organ by Mrs. Mabel Lou Dow.

Ray Atwood and Roger Fleming served as ushers.

Two hundred and fifty guests attended the reception which was held at the Guild hall following the ceremony.

Mrs. Elfers is employed at Regal China and Mr. Elfers is employed by the State of Wisconsin.

RAINBOW GIRLS INSTALL OFFICERS FRI. NIGHT

Miss Virginia Petersen was installed as worthy advisor of the Order of Rainbow for Girls Friday evening at the Masonic hall. Other officers installed with her were Charlene Nelson, worthy associate advisor; Mary Lou Wilton, Charity; Ruth Raether, Hope; Sylvia Beelow Faith; Nancy Horenberger, Recorder; Joanne Hughes, treasurer and Marlene Wertz, chaplain.

Other officers installed were Doris Peterson, drill leader; Barbara Johnson, Love; Ruby Krieger, Religion; Natalie Schippmann, Nature; Ann Erickson, Immortality; Gail Dietrick, Fidelity; Gwen Keating, Patriotism; Charlotte Beelow, Service; Marjorie Haling, inner observer; Sharon Weber, organist; and Dawn Kosup, choir director.

Miss Louise Erickson was outgoing worthy advisor.

ST. IGNATIUS CHURCH SCHOOL REOPENS THIS SUNDAY

Sunday school classes will resume this Sunday at the Church of St. Ignatius of Antioch (Episcopal). The Parish Family Eucharist will be celebrated at 9:30 a. m., followed by breakfast in the parish hall, when attendance pins for the past year will be awarded. After breakfast, classes will be formed and registered in the main hall upstairs. New families are invited: the 9:30 Service is designed so that families can worship together. The Services are accompanied by hymns. A nursery department is added this year so that parents need not worry about bringing infants. An adult study class on "The Faith of the Episcopal Church as contained in the Book of Common Prayer" is for high schoolers and adults.

The teaching staff is composed as follows: Mr. Henry Kapell, Supt., Nursery Dept. Miss Geraldine Pajusch; kindergarten, Mrs. Leonard Fischer; primary Miss Mary Fields; Junior Mr. George Miller; Senior Mrs. Henry Kapell; substitute and treasurer Mrs. Oren Hostetter; adult and high school, Father Ehrigott.

Baptisms at St. Ignatius
On Sunday, Sept. 3, the following were baptized in the Church of St. Ignatius of Antioch (Episcopal): Elmer Leonard Hawkins, Gertrude Marie Hawkins, Patricia Ruth Sterbenz, George Paul Sterbenz and Michael Patrick Sterbenz.

TREVOR NEWS

The Trevor P. T. A. held their first meeting of the school term, at Social Center hall on Tuesday evening with a good attendance. The meeting was opened by their president Minnie Lubeno, after which James McKenzie, Jr., gave his report. Kenosha County P. T. A. president, Mrs. Vivian Higgle, gave a very interesting talk on Child Welfare. Leland Chartier, of the Kenosha County sheriff's department showed movies on safety. A card party was planned for Friday night, Sept. 15, at Social Center hall. The committee in charge is Mrs. A. Pryer and Mrs. A. Ramsdell. Lunch was served by Mrs. Bernard Schneegas, Mrs. Jessie Runyard and Mr. and Mrs. A. Pryer.

Mrs. Bonnie Plunket, the newly elected vice president was installed by Mrs. Vivian Higgle.

MISS SANDERS GUEST OF HONOR AT SHOWER

Mrs. Herbert Ellis and Miss Gertrude Hawkins were co-hostesses at a miscellaneous bridal shower given for Miss Hazel Sanders Wednesday evening at the Guild hall. Over sixty guests played cards during the evening. Miss Sanders whose wedding date is set for Monday, the eighteenth of September, received many beautiful and useful gifts from the group. A delicious luncheon was served later in the evening.

Lake County Hoosiers To Hold Annual Indian Summer Outing

The John T. McCutcheon Chapter of Lake County Hoosiers will hold its first annual "Indian Summer" outing next Monday night, Sept. 11, at the Illinois Beach State park, according to announcement made by Ford Wilson, president of the organization formed last May 6, on the 80th anniversary of the birth of the famous cartoonist for whom the chapter is named.

The affair will be in the form of an old-fashioned basket picnic with each couple attending bringing their own basket filled with good things to eat; also a dish to pass along, either meat, salad, fruit or dessert. The club will furnish coffee and refreshments.

Mrs. William J. Bicket, Clayton Mowen, Mrs. Ralph R. Pihl and Charles A. Davis, make up the committee in charge of the evening's activities which will begin with the supper at 6:30 p. m.

"All-Hoosiers, or would-be Hoosiers are invited to attend whether they are members of the club or not and they are urged to bring their families," Wilson said. The organization already has a membership of 70 and the charter will remain open until at least the goal of 100 is attained.

"The purposes of the chapter is to sponsor two annual get-togethers, a dinner affair on May 6th each year, and an 'Indian Summer' outing for Indiana-born men and women to get acquainted with each other and have a good time together. The picnic will include children as well as a good old-fashioned outing is being planned for Monday evening."

Those desiring to go to the park earlier will find swimming, horse-shoes, croquet and softball games in operation beginning at 4 p. m.

Hoosiers desiring further information regarding membership in the McCutcheon Chapter, may contact any of the officers: President Ford Wilson, Zion; Vice president Clarence E. Prichard; superintendent of Waukegan Township High school; or secretary-treasurer Mrs. Frank Votruba, 219 Miraflores ave., Waukegan, telephone Ontario 6726.

Out of Gas? Just Pour in A Quart of Water, But Be Sure You Drive a Chrysler

A quart of water poured into the gasoline tank can save the stranded motorist a long walk to a gas station, if his car is a new Chrysler.

All postwar Chryslers are equipped with a super-efficient fuel tank filtering device which is effective against even the most minute droplets of water. Should the new Chrysler "run out of gas," a quart of water poured into the fuel tank will cause the gasoline remaining at the bottom to rise to the level of the filtering element, allowing the car to run a few more miles.

No harm will result to the fuel system of the car if the water is drained off by removing the drain plug at the bottom of the tank before refueling.

Called the "Oilite" fuel tank filter, the device consists of an Oilite disc which forms the bottom of an inverted steel cup. The filtering disc is made up of small grains of bronze, moulded and sintered together into a porous mass fine enough to prevent the passage of solid particles larger than .005" in diameter. The filtering element is tin-plated to prevent the fuel from coming into contact with the copper base material in the element.

The entire unit is supported by two legs welded to the fuel tank so that the filter element is about half an inch from the bottom of the tank. Because of its location, the filter protects the entire fuel system. In addition, the sloshing action of fuel in the tank continually keeps the surface of the filter free of dirt particles, so that the element is in effect self-cleaning and never requires attention.

Kick-off Banquet for M.Y.F. Planned for Next Tuesday by Methodists

An invitation has been issued to all Methodist Youth Fellowship members and prospective members to a "Kick-off banquet" to be served at that church at 6:30 p. m. next Tuesday.

The dinner will be sponsored by the official board of the church who will provide food and service.

Speaker of the evening, Lloyd J. Ogilvie, director of Christian education at Waukegan, will talk on the subject, "Who Me?"

Bill Clarke, M. Y. F. president, will give the welcoming address. David Deering will provide entertainment and skits, and Sylvia Beelow and Marlene Wertz are a committee in charge of decorations. A community sing will wind up the evening and an enjoyable time is promised.

Mr. and Mrs. C. W. Wikoff and daughter, Joan, spent the weekend with Mrs. Wikoff's parents, Mr. and Mrs. J. J. Rhymer and attended the funeral of their aunt, Mrs. Anita Banks, of Lake Villa.

Plans Made for Annual Livestock Meeting on Sept. 28, at Grayslake

The annual fall livestock outlook meeting for Lake county will be held at 8 p. m. Thursday, Sept. 28, at the Farm Bureau hall in Grayslake, Farm Adviser Ray T. Nicholas announced.

"It's one of our most important meetings each year," he explains, "and the discussion should help you earn more profit from your feeding operations. We're shooting for a new attendance record this year, too."

Harry Russell from the College of Agriculture will talk over feed supplies, likely supplies of meat, and probable consumer demand for meat. He will also give some ideas for efficient livestock management. A representative from the Chicago cooperative livestock marketing association will discuss available feeder cattle supplies and current trends in the cattle markets.

The Korean war situation, near-record asking prices for feeder cattle, another huge corn crop, and strong demand for all meats add up to a pretty confusing picture facing livestock feeders, the adviser says.

"We'll have the benefit of some of the best advice on these questions," Nicholas says.

In addition, you can learn about the possibility of price ceilings and how they might affect your feeding program, the possibility of local, temporary market glutts developing next spring, the place where the we are now with regard to supply and price in the regular cattle cycle, and other vital points that affect your profits.

County Health Department To Be Pushed at Meeting

Plans for a county health department will be discussed at a dinner meeting to be held by the Chain O' Lakes Region council and the Lake County Co-ordinating council next Wednesday, Sept. 13, in Brae Loch Country club.

The two councils, co-sponsors of the health department plan which

will be voted on at the November elections, will organize a campaign drive at the meeting.

A panel discussion on the need for a public health department in Lake county will be held. Officers for a permanent county health committee will be elected.

Anyone interested in attending the dinner meeting should make reservations with Mrs. R. L. Binder, Grayslake 3-1545 or Box 466, R. R. 2, Lake Villa, by Sept. 9. Cost of the dinner will be \$2.

Mrs. Olive Tweed, who recently underwent a major operation at Condell Memorial hospital, Libertyville, is convalescing at her home in Monaville.

CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 10, will be:

SUBSTANCE

The Golden Text is:

"Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it" (Mal. 3: 10).

Among the citations which comprised the Lesson-Sermon, the following are from the Bible:

"For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ. . . . While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal" (II Cor. 4: 6, 18).

The Lesson-Sermon includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"Things spiritual and eternal are substantial. Things material and temporal are insubstantial. . . . Nothing unspiritual can be real, harmonious, or eternal. Sin, sickness, and mortality are the suppositional antipodes of Spirit, and must be contradictions of reality. . . . Spirit is the only substance and consciousness recognized by divine Science" (pp. 335, 278).

SHORT STORY

He Spoke His Piece

By Richard Hill Wilkinson

WITHOUT REALIZING it Armine had been watching the young man with the black hair and blue eyes. She admitted to herself that he was good looking. Also, he wore his evening clothes with just the right degree of casualness; his face was pleasant and guileless. Dangerous, she thought. The type of man who couldn't be trusted. Deceptive. Like Loring Brookes. Mere thought of Loring gave her a funny little pang.

And then the young man with the blue eyes and black hair started toward her. He weaved his way in among the dancers and tapped Seaver Clark on the shoulder. "Mind if I cut in?" he asked. "Hope you don't mind? Believe me it took courage."

"Did it?" said Armine coldly. "Am I to feel flattered?" He grinned broadly. "Sorry. I'll quit if you say so."

"And leave me stranded in the middle of the floor?"

"Well, then, when the music stops." But when the music stopped they weren't on the floor at all. They were out on the terrace, looking up at the moon, and Armine was saying, "I do wish you'd take me back. I'm cold."

"You can't be cold. It's a warm night. Besides, if you start to go back alone I'll grab your arm. And that will make a scene."

She looked at him angrily, but he only grinned. "I've half a mind to do it. It might teach you a lesson."

"It probably would," he admitted. "But please don't. You see, I've been watching you all evening and planning this campaign—bringing you out here, I mean."

"The ideal," Armine tossed her head. "Well, you can bring me right back again."

"Not until I say what I have to say."

"Indeed! And what makes you think I'm interested in what you have to say?"

SUDDENLY HE sobered. "That's the trouble with you — you're never willing to give a fellow a chance. You take him at his face value and let it go at that. It's not fair."

"What! Certainly you can't be serious. If this is some sort of joke, it's a poor one. Please take me back!"

"Wait." He gripped her arm. His face was tense. "You've got to hear me. I know it all sounds crazy. But it isn't. Last year, when I went away in such a hurry it was because my brother had been hurt in a football game. I wrote you the day after I arrived in California. Air mail. It wasn't till a month later that I learned the plane crashed and burned. Then I knew it was too late."

"Oh, Loring, what a stupid little fool I've been!"

I came on east, bringing my brother along with me. He got well. He broke off. She was staring at him in amazement. He gestured helplessly. "I tried to look you up, but you'd gone south for the winter. And then in the spring the university sent me up to Canada to do some research work. I got back a week ago, learned you were in town and came here tonight, hoping to see you. I . . . He leaned forward and grasped her shoulders, said fiercely, "I love you, have always loved you. You haven't been out of my thoughts for a minute. You've got to believe that. I thought at first you did . . . when you didn't object to coming out here with me."

He turned away, got half-way to the door when she called, "Loring!" He swung back, and she came up to him. "Was . . . Robert Brookes . . . your brother?"

"Yes. How did you know?"

"I didn't know. But I read about him in the papers. And I read about the crash of the plane, too . . . Oh, Loring, what a stupid little fool I've been!"

She was in his arms, sobbing hysterically. Loring held her tight; presently tilted her chin and kissed her mouth. "Darling! I . . . I hate to think of what might have happened if you had objected to coming out on the terrace."

"Objected? Why, my precious . . . if you hadn't brought me out I would have died!"

Deep Lake Home in Ruins After Blaze

W. W. Haerther surveys the remains of his home at Deep Lake, which burned to \$125,000. Haerther risked his life to save his Labrador dog trapped in the basement. Estimates of the total damage to the structure and contents range from \$110,000 to \$125,000. Photo Courtesy Waukegan News-Sun

How Haerther Mansion Looked Before Fire Struck

4-H Leaders Called for Finish-up Conference

The Agricultural 4-H Club leaders will hold their annual completing conference at the Farm Bureau Hall in Grayslake at 8 p. m. Monday, Sept. 18, according to Farm Adviser Ray T. Nicholas.

At this time, the local leaders will name candidates for county project honor members and outstanding club member. Club leaders will also pick 4-H members for recognition in numerous other activities and contests. The club members will be scored by their local leaders on their project achievements and participation and leadership in local, county and state activities.

Following the leaders' conference, candidates for state and national contests will be selected, and names and records submitted to the state office.

Directors Approve Plan For Swimming Pool at 4-H Camp at Kankakee

The directors of 4-H Camp Shaw-waw-nas-see approved plans submitted by the architect for a swimming pool, at a meeting of the board of directors at the Camp on Aug. 29.

The plans call for a swimming pool 30'x75' in size, with bathroom facilities in conjunction. The pool will be of the latest design and incorporates all of the latest features to meet health and safety requirements.

It is hoped that the contract for the pool, which will cost around \$30,000.00 will be let this fall so the pool may be available to next year's campers. A new dining hall was completed last year, and used for the first time this season.

Mulches
Ground corncobs, chopped hay, straw and leaves all make good, inexpensive mulches.

Milk Cows
In every month since mid-1948, production of milk per cow in the United States has set a new record.

Thinking of the Long Pull?

Better Buy Buick!

If that car of yours has put its best days behind it, there's no time like right now to think about starting out afresh with a taut, new, up-to-the-minute motorcar with all its mileage still in it.

And there's no better place in the world to start than with the beauty pictured here, for a variety of reasons.

For one thing, this Buick SPECIAL is a quick-stepping Fireball valve-in-head straight-eight that's priced lower than some sixes.

For another, it's built with typical Buick ruggedness through and

through—a husky that can take a lot of years without crying "Uncle!"

Then, too—this high-styled beauty is proving to be one of the most economical Buicks ever built—easy on gas, easy on upkeep, easy on you in its soft, floating, light-handling comfort.

It even comes with Dynaflo Drive* if you like—and Dynaflo means that you will never have to service or replace a friction clutch, and that rear-end or transmission servicing—even engine upkeep—are cut to a minimum.

*Standard on ROADMASTER, optional at extra cost on SPECIAL and SPECIAL models.

Of course, you can't see all of this in the brief span of a trial drive.

But you can experience the good solid feel of Buick strength beneath you. You can satisfy yourself on the lightness of the controls, the utter smoothness of Dynaflo, the quick surge of Buick's Fireball power.

All such things will tell you that this is a car you'll be glad to live with for a long time to come—and you need only to ask your Buick dealer for a demonstration to see precisely what we mean.

Why not call on him soon to talk about signing up?

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

HICKORY

A niece from Detroit, Mich., Mrs. Harrie Robertshaw and two children, also her mother, Mrs. Grom, from Pittsburg, and Mrs. Mollie Robertshaw, Mr. and Mrs. Wm. Par-

sons and family, from Melrose Pk., were Sunday guests at the Curtis Wells home.

Mr. and Mrs. George Rohr and two sons and Mrs. Georgia Scoville, of Kenosha, were Sunday afternoon callers at the E. W. King home.

Gordon Wells, Jr., celebrated his birthday on Thursday evening, Aug. 31, with seventeen friends and neighbors at his home.

Mr. and Mrs. George Handley and daughters, Martha and Ann, drove to the Cave of the Mounds in Wisconsin over Labor Day. They returned to their home in Chicago Tuesday morning after spending

summer months here. Beverly and Sue Bishop, of Kenosha, visited at H. A. Tillotson home last Wednesday and Thursday.

Mr. and Mrs. Wilbur Hunter and son, Jerry, were guests at the Heuer and Johnson wedding reception held at the Carl Heuer home on Blanchard road Saturday evening. About one hundred guests were present.

Harold Edwards, of Springfield, spent Thursday evening with his parents, Mr. and Mrs. Bert Edwards.

SERVING YOU BETTER - SAVING YOU MORE

Child Psychology

"Gang rule" is never stronger than in childhood. The wise parent who wants to combat an undesirable group influence on his child can use this very strength of the "gang" to his own advantage. His job is to redirect the interests of the entire group into wholesome channels rather than to forbid his child to play with others. In doing so, he achieves a lasting victory, and one of community benefit.

Submarine Warfare

Submarine warfare had its beginning during the Revolutionary war, but with an inglorious introduction. In 1777 David Bushnell, inventor of a little round submarine called "The Turtle," tried to drag a box of gunpowder against the British frigate, Cerebus. His mine became fouled and he sank a friendly schooner instead.

Gold Mine

U.S. government gold is held at the mint institutions which are the mints in Philadelphia, San Francisco and Denver; assay offices in New York and Seattle; and the gold bullion depository in Fort Knox, Ky., where about \$12,500,000,000 of the United States gold assets, totaling \$24,300,000,000 is held as of March 31, 1949.

Washing Cottons

All cotton blouses are washable. Most of them can be laundered in the washing machine unless they have very fine lace that might be snagged or torn. When the blouses are completely dry, sprinkle and let stand several hours before ironing.

Vaccinating Poultry

Poultry growers who want to get the most eggs from their flocks this coming fall will vaccinate pullets against fowl pox.

Early Wallpaper

When first used, wallpaper was the poor man's tapestry. Later wealthy people also adopted it to supplant the silk and velvet wall hangings so popular in Europe until the 1500's. The Chinese, who were the first people to use paper, were also the first to use it as a wall decoration.

Holland's Coins

In Holland the issue of pure nickel 10 and 25 cent coins continues and they are being well received by the people.

YELLOW PAGES

YOUR HANDY BUYING GUIDE
COMPLETE • EASY TO USE

Your new telephone directory is now being delivered! Its Yellow Pages are packed with helpful "where-to-find-it" facts—all conveniently classified to save you time and trouble.

You'll find the Yellow Pages more valuable than

ever. They list dealers, products and services by the hundred—in fact, almost everything you need to run a home or business. Get in the habit of using the Yellow Pages. It's the quick, easy way to locate what you want.

Here are five big ways the Yellow Pages can help you

- 1 To find local dealers who sell nationally advertised services or trademarked products.
- 2 To find where to buy almost any product or service you need, including those that are unusual and hard to locate. It will help you, too, to locate dealers or services in your immediate neighborhood.
- 3 To find the address or telephone number when you

know the firm's name... or the name when you know only the address.

4 To find business or professional people with common surnames, like Jones or Smith. The Classified saves you time and helps you to avoid mistakes.

5 To find wholesalers or manufacturers when you want to buy in large quantities.

Look in the **YELLOW PAGES**

THE ANTIOCH NEWS, ANTIOCH, ILLINOIS

THURSDAY, SEPTEMBER 7, 1950

Moose Win Final League Game of 1950 Season

The Antioch Moose club softball team pulled an exciting and vital game out of the fire last Thursday night with a five run rally in the eighth and a game-deciding tally in the ninth to upset the previously unbeaten Waukegan Moose 19-18.

In two earlier games Waukegan had trounced the local club and in fact, hadn't lost a Fraternal League game all season. The victory, third in four starts for Antioch in the second round of play lifted them into a tie for first place in the Moose League with Waukegan and Highland Park. Plans for a playoff to determine the league champion have not been completed.

Wally Good, hard hitting left fielder to the Moose, paced the Antioch attack with five hits in Joe Braszta and Johnny Benes six trips to the plate, followed by with four apiece. Benes, who has done a good job throughout the season in center field made several sensational catches to stop Waukegan rallies in this closely contested game.

Each team collected a total of twenty-six hits, but the local squad put on a strong finish.

Art Meyer, although hit hard early in the game, hurled good ball the last four innings and had the losers popping up continually.

Swede "Blubber" Johnson worked his usual "smart" game back of the plate and had the Waukegan club off balance with his vast array of signals.

Bill Meyer and Wes Reeves made some nice infield plays to pull the Antioch team out of jams.

Waukegan's hitting attack was paced by Mitchell and Musch with four safe blows apiece. This Waukegan team is a hard-hitting and very good fielding team, and the victory over them stamps Antioch Moose as a strong contender when the next season rolls around.

Demand for Gas Heat For Homes Will Not Be Satisfied Until 1951

Britton I. Budd, president of the Public Service Company of Northern Illinois, reported today that during the great increase in suburban residential building since the war which resulted in rapidly rising demands for gas for cooking and water heating, the company since 1946 had authorized 30,000 customers to heat their homes with gas.

This was due to three factors: 1. A broad construction program by Public Service Company resulting in extensive additional storage facilities and large size bulk distribution mains.

2. Conversion of the company's 800 BTU gas service area to 1000 BTU straight natural gas, thus increasing distribution capacities.

3. Construction of additional facilities by Natural Gas Pipeline Company of America in 1947 and 1948 which resulted in the completion of a second pipeline from Texas to the Chicago area. This resulted in additional supplies of natural gas being made available to Public Service Company.

Despite this expansion in the company's gas service facilities, the demands for gas heat since the war have out-distanced the gas supply to such an extent that upwards of 28,000 individual residences are still waiting for company permission to install their gas furnaces.

As a result, there is no possibility of supplying gas heat to these waiting customers pending construction of the proposed third 30-inch natural gas pipeline from the Texas gulf coast to northern Illinois. Completion of this line is now tentatively scheduled for the end of 1951.

Restrictions on the use of gas for house heating, which have been in effect since July, 1946, are thus certain to continue for at least another year even though the new pipeline from Texas, now under way, goes ahead on schedule.

When the company is assured of completion of the new line, it is expected that those now on the gas heat waiting list can be authorized to install their gas burners. Any delays in the plans for completing the pipeline due to the war situation would mean similar delays in getting gas heat for those on the waiting list.

Mrs. Talbott, Lake Villa Dies After Heart Attack

Mrs. Ella F. Talbott, Lake Villa resident for the past 43 years, died at 4:40 p. m. Sunday, Sept. 3, in her home after suffering a heart attack.

Born in Kiswaukee, Ill., Mrs. Talbott lived in Braidwood, Ill., before moving to Lake Villa. She was a member of the Cedar Lake Camp of Royal Neighbors and the Lake Villa Community church.

Her husband, a Lake Villa physician for 16 years, preceded her in death in 1923.

Surviving are a daughter, Mrs. Vera Phillips, of Waukegan; a son, Orville Talbott, of Chicago; a sister, Mrs. Clara Trotter, of Portland, Ore., four grandchildren and five great-grandchildren.

Funeral services were held yesterday at 2 p. m. from the Strang chapel, Antioch. The Rev. Robert Harrison conducted services. Burial was in Angola cemetery.

A Good Man Backing Him Up

The Rev. W. C. Henslee, for many years a resident of Antioch, who has been in a Rhinelander hospital for the past week, is expected to be able to return to his summer home at McNaughton, in a few days. The Henslees plan to spend the winter in Antioch.

Former Antioch Resident Injured in Auto Accident

Mrs. Herman Long, of Zion, former Antioch resident, is in Community hospital, Harvard, Ill., with injuries suffered in an auto accident on Wednesday last week.

The accident occurred at about 4 p. m. on a curve on Rte. 173, just west of Hebron, when Mrs. Long was returning home from a visit with her mother, Mrs. Harry Esmond, of Champaign.

A truck Mrs. Long was driving collided head-on with a car driven by another woman. Both women were injured in the accident and were taken to the Harvard hospital in an ambulance.

Mrs. Long received a broken hip, broken ribs and cuts on the face. Hospital authorities said she will be confined to bed for three or four months.

Ralph Lasco, son of Mr. and Mrs. Luliver Lasco spent Wednesday in Evanston, making arrangements where he has an assistantship at Northwestern University, where he will study for his master's degree. Ralph graduated from the University of Illinois in June with a B. A. in Liberal Arts and Science, majoring in Chemistry.

Mary Agnes Bolton, 81 Passes Away at Home Of Daughter Today

Mrs. Mary Agnes Bolton, 81, of Antioch, passed away today (Thursday) Sept. 7, at the home of her daughter Mrs. Gladys Techert, following a lingering illness.

She was born June 12, 1869 at Lyndonville, New York. For fifty-one years she made her home in Kenosha county and for the past six years had lived in Antioch. On December 12, 1888 she became the bride of George H. Bolton at Lyndonville, with whom she celebrated their sixtieth wedding anniversary previous to his death in July 1949.

Survivors are four sons: Karl, Fox Lake; Keith, Lake Villa; Lyle, Kenosha, and Roy of Pikeville; three daughters, Mrs. Gladys Techert; Leah Burdick and Frieda Rentner, all of Antioch; thirty grandchildren and twenty-eight great-grandchildren. Preceding her in death were three daughters and one son, Mrs. Gretchen Nelson, Mrs. Millie Ream, Miss Edith Ethyl Bolton and Kenneth Bolton.

Funeral services will be held at

the Strang Funeral home Saturday, September 9, at 2 p. m. interment will be in Liberty cemetery. Friends may call at the funeral home after seven o'clock p. m. today (Thursday.)

Mrs. Anetta Banks, 48, Is Buried Here Sunday

Funeral services were held Sunday, Sept. 3, in Grayslake Community church, for Mrs. Anetta Lucille Banks, 48, of Avon township, who died Thursday, Aug. 31, in her home after an illness of one year.

Mrs. Banks was born in Lake Villa township, July 30, 1902, the daughter of Richard and Julia Wilton. She was a member of the Avon Mother's club. Her husband, James Bank, a former Lake county highway department employe, preceded her in death last January.

Surviving are a daughter, Mrs. Donald Anderson, of Waukegan; a son, Richard Banks, Lake Villa; her mother, Mrs. Julia Wilton, Lake Villa township; a sister, Mrs. Joseph Rymer of Antioch, and one granddaughter.

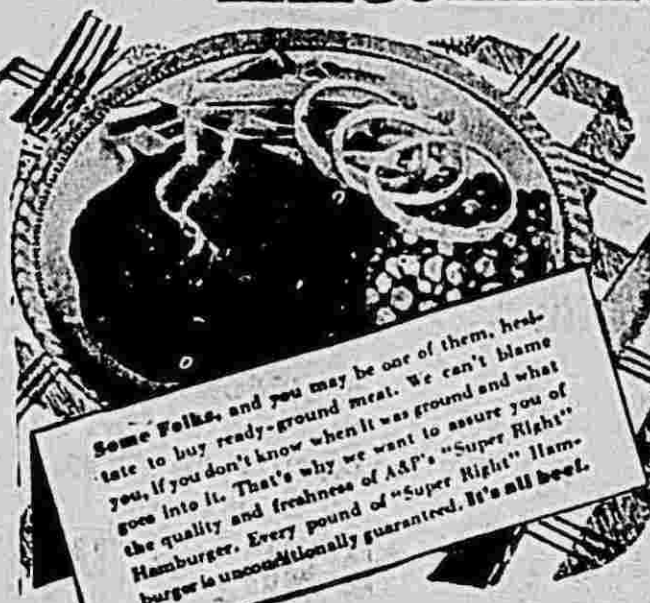

The Rev. Thompson T. Sampson conducted services on Sunday. Burial was in Hillside cemetery, Antioch. Strang funeral chapel, Grayslake, handled arrangements.

Hamburger?

YES, the best kind is ALL BEEF, freshly ground, many times a day... and that's the only kind A&P ever sells! The next time you're making meat loaf or meat patties, get A&P "Super Right" Hamburger. There's such a difference. Save money... and enjoy GUARANTEED satisfaction.
